Procedures and Findings

We have performed the procedures described below, which were agreed upon with the Company in the terms of engagement dated October 11, 2023, on the Subject Matter.

We report our findings below:

1. Obtained the 2023 Third Quarter Progress Report on the Application of Proceeds from the Initial Public Offering of the Company via Secondary Offering for the three months ended September 30, 2023 (the "Schedule") and checked the mathematical accuracy of the Schedule. We did not note any difference.
2. We compared the disbursements in the Schedule with the schedule of application of proceeds for the three months ended September 30, 2023. We did not note any difference.
3. Selected at least 75% of the total amount of disbursements based on highest to lowest value of transactions. The samples selected were traced to the supporting documents such as progress billings, bank statements, invoices and official receipts, and agreed the amount to the accounting records. We noted that the total disbursements amounted to ₱1,088,323,511 for the three-month period from July 1, 2023 to September 30, 2023. We did not note any exceptions.

4. Selected at least 75% of the total amount of disbursements based on highest to lowest value of transactions. Compared the nature of these samples as indicated in the 2023 Third Quarter Progress Report to the nature of disbursements provided in the schedule of planned use of proceeds from the Secondary Offering. We did not note any exceptions.
