### **Procedures and Findings**

We have performed the procedures described below, which were agreed upon with the Company in terms of engagement dated September 26, 2022, on the Subject Matter.

We did not note any difference.
2. We compared the disbursements in the Schedule with the schedule of application of proceeds for the three months ended September 30, 2022. We did not note any difference.
3. Selected at least 75% of the total amount of disbursements based on highest to lowest value of transactions. The samples selected were traced to the supporting documents such as progress billings, bank statements, invoices and official receipts, and agreed the amount to the accounting records. We noted that the total disbursements amounted to ₱541,950,723 for the three-month period from July 1, 2022 up to September 30, 2022. We did not note any exceptions.

4. Selected at least 75% of the total amount of disbursements based on highest to lowest value of transactions. Compared the nature of these samples as indicated in the Second Quarterly Progress Report to the nature of disbursements provided in the schedule of planned use of proceeds from the Secondary Offering. We did not note any exceptions.
